SINCE 1954

70 YEARS OF CRAFTSMANSHIP

With over 70 years of rich experience in the tanning industry, KURU Tannery has proudly established itself as one of the world's leading manufacturers and exporters of premium rawhide dog chews. Our enduring legacy is built upon a foundation of uncompromising quality, trust, and a deep understanding of our craft.

We believe that every pet deserves the best. That is why our products are crafted exclusively from natural raw hides. Every step of our processing is handled with exclusive care and integrates new technology to ensure absolute safety and superior quality. Reflecting our unwavering standards, our manufacturing facilities are fully certified with GHP, HACCP, and ISO 9001.

Guided by our core vision *"Non-stop development to reach everyone's lifestyle"* we are constantly developing quality products to meet evolving market demands. Whether you are selecting from our extensive classic collections or require custom designs and tailored packaging solutions, KURU Tannery is your dedicated, one-stop partner in delivering joy to pets worldwide.

Premium Chews, Rooted in Nature & Heritage.

WORLD-CLASS STANDARDS

Safety and transparency are our highest priorities. Every chew is produced in our fully certified facilities

Our Commitment:

- 100% Natural Raw Hides
- Strict Hygiene Control
- Full Traceability

CATEGORY 01

THE CLASSICS

Experience the foundation of our craft with our traditional rawhide selection. Crafted from 100% natural raw hides to satisfy your pet's instinctive need to chew while promoting dental health.

KNOTTED BONE | PRESSED BONE

KNOTTED BONE SERIES

- Dental Health: Helps reduce plaque and tartar buildup.
- 100% Natural: Made from premium quality natural raw hides.
- Long-Lasting: Designed for persistent chewers.

PRESSED BONE

Crafted under high pressure, our Pressed Bones deliver an ultra-dense, satisfying chew designed specifically for heavy chewers.

- Extreme Durability: High-density layers provide a longer-lasting chewing experience for aggressive chewers.
- Advanced Dental Care: The extra-firm texture actively helps scrape away tough plaque and tartar.
- 100% Natural: Made from premium raw hides with no artificial adhesives or harmful chemicals.

CATEGORY 02

MUNCHY DELIGHTS

A burst of flavor and fun. Crafted from finely ground premium rawhide, our Munchy series offers a softer, highly palatable chew perfect for dogs of all sizes and ages.

- Vibrant Assortment: Available in a variety of engaging colors and natural flavors to stimulate appetite.
- Gentle Texture: The ground hide composition is easier to chew, making it ideal for puppies and senior dogs.
- Highly Digestible: Formulated to be gentle on the stomach while still providing dental benefits.

MUNCHY SERIES - SHAPES

Available in a versatile range of shapes and vibrant colors, formulated to satisfy every dog's preference while maintaining optimal digestibility.

MUNCHY ROLLS

The classic daily reward. Easy to chew and handle, perfect for quick treats and training sessions.

MUNCHY BONES

The traditional bone shape crafted from ground rawhide, offering a softer alternative to solid pressed bones.

MUNCHY STICKS

Thicker and robust. Designed for a slightly longer chewing experience filled with irresistible flavors.

FUN SHAPES

Interactive designs like colorful balls that add an element of playfulness to your dog's daily chewing routine.
